

## The Centre Vision

Every person with intellectual disability in Australia gets high quality health care.

## The Centre Mission

We all work together with people with intellectual disability to make their health as good as it can be.

## The Centre Values

1. We support people with intellectual disability to be leaders in their own lives and the Centre.

2. We are leaders in easy communication and inclusion.

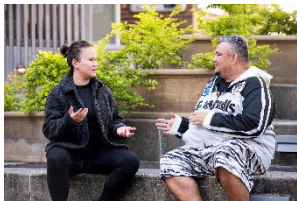

3. We respect family members and other people who support them.

4. We include people from many different backgrounds.

5. We listen to each other and value all ideas.

6. We are honest and open.

7. We are responsible to people with intellectual disability and each other for what we do.
